November was a busy month for the club with several parties booked in our banquet room. Our Feather Party was a great success and I would like to thank all involved.

December is starting out with a bang, as we have a couple of polish dinners to prepare and serve. The kids Christmas party is moving right along and should be a great time for parents and children alike. The cut off for signing up your kids is Friday 12/3/2010. We are still collecting donations for our food baskets, these will be delivered around the weekend of the 18th.

Our certificate membership renewal notices are out, please take a minute to find yours. They will be mailed mid December.

The board would like to extend our deepest sympathies to any and all members who have lost loved ones this year. They will always be in our hearts and in our memories.

Ron Royce

BOWLING INFORMATION

Our next Scotch Doubles Tournament is right around the corner. Please take a minute to get your team signed up and come in and join in the fun.

The first weekend of December will be busy with the Masters Tournaments on Saturday and Sunday. We are happy and proud to have them bowl on our lanes.

The lucky winner of the bowling ball raffle is our own Buffy Leonard, congratulations Buffy.

With the winter weather coming in we have set up the blockade to keep your playing areas and lanes free of snow and salt, please be respectful of your fellow bowlers and walk around. We apologize for the inconvenience.
